Project No. _____

Book No. _____

TITLE Mutant Tne.

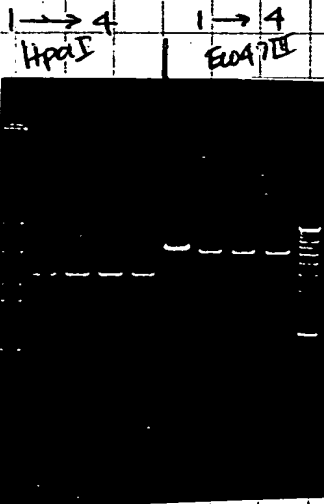

From Page No. _____

Both transformations yielded a lot of colonies.

Test 4 clones each.

3' → 5' exo - test with EcoRV → look for linear

F → Y mutant - test with HpaI → look for two b.

Only #1 of p|Tne 3' exo clones
 seem correct.
| |

Test again with sst/HindIII

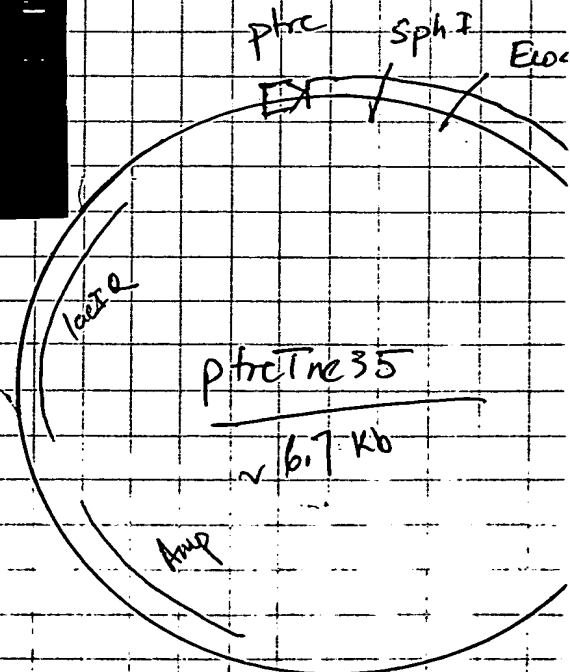

sst/HindIII of clone #

None of the F → Y clones
 are correct.

Test 8 more clones.

Grow 1 liter culture
 for purification
